

National Affordable Housing Day

Come join us for breakfast. Take this opportunity to celebrate National Affordable Housing Day with other housing industry professionals. You play a key role in building great communities.

November 22, 2006
7:30-9:00am
Westin Hotel, Edmonton

After breakfast you are welcome to attend the official opening of a 44 unit, CRHC affordable housing project:

10:30 am, Greystone Place NW
17115 108 Street NW, Edmonton

Affordable Housing -
It all begins with an address.

Emcee: Lesley MacDonald

Greetings from the City, Province and Federal Government

Key Note Speaker

Janet Riopel, General Manager, Growth Initiatives Edmonton

The Edmonton Region is experiencing explosive growth. Planning for how we manage the issues arising out of this growth is one of the biggest challenges we face in the coming years, and being unprepared can have staggering and negative effects on our communities. The way this region addresses issues like affordable housing will play a key role in determining our quality of life.

The City of Edmonton has been front and centre in advocating for comprehensive, region-wide planning and collaboration, and hiring Janet Riopel as the General Manager, Growth Initiatives, is another way that Edmonton is leading change. Janet is a well-respected and well-connected Edmontonian, and she has the expertise to link with other community leaders to find solutions for the growth issues that the Edmonton Region faces.

Community Perspective, Harvey Voogd, Edmonton Housing Trust Fund
